

# Planning the Vacation of Your Dreams?

**CSA Travel Protection**  
Simply Better!

## Protection Before, During and After Your Trip

A cancellation, interruption or trip delay can cost you your vacation investment and additional expenses. CSA provides you with protection during your entire vacation experience. You've invested time and money in your vacation. Unexpected events can risk all of that. If you can't go on your trip for a covered reason, you will be reimbursed for your prepaid expenses. It offers excellent value and combines insurance coverages with 24-Hour Emergency Assistance Services.

**Without travel protection, your dream vacation could be negatively impacted by the unexpected:**

- You or a family member develops an unexpected illness, causing everyone in your traveling party to cancel the trip.
- A mandatory hurricane evacuation prevents you from traveling or forces you to return home early.

### CSA Helping Travelers: A True Story

Shari Tweed was enjoying her vacation when it was interrupted by Hurricane Frances. Shari later told CSA:

*"When Hurricane Frances interrupted our trip in September 2004, CSA's emergency hotline was most helpful and the claims division was also very helpful and processed our claim promptly. We had absolutely no problems with our claim being paid in a timely fashion. We recommend CSA Travel Protection to everyone."*
